INSTRUCTIONS FOR PLAYERS

1. All players are obliged to **register** at the registration desk in the clubhouse and pay the **entry fee in cash** before commencing the first round.
The entry fee amounts to **1.500 CZK (or 70 EUR)**.
Registration desk will be open: - on Tuesday, August 6th, from 10.00 till 18.00 and
- on Wednesday, August 7th, from 7.00 till 14.00.
Players will receive information files including scorecard and pin positions for the practice round (Tuesday, August 6th).
2. **Stroke savers** (birdie books) will be available for sale in the pro shop.
3. On all competition days the players will receive their scorecards and pin positions **at the first tee**.
4. During all **competition rounds** there will be **free refreshment** on the course – fruit and bottled water on the first tee as well as more water later throughout the round. Please note: **no free refreshment** will be provided to the players on the official practice day (Tuesday, August 6th).
More refreshment can be bought at the half way house.
5. After each round the players have to return their completed and signed scorecards **at the designated scoring area without delay**. Players shall bring their scorecards personally so that any potential rulings or doubtful points can be settled. To avoid any mistakes and/or typos it is advisable that players sum up the total result on the scorecard (though they are not responsible for the correctness of the sum) and check their scores on the electronic scoreboard afterwards. The scorecard is deemed returned once the player leaves the scoring area (clubhouse hall).
6. Driving range will be opened at least one hour prior to the first starting time. No dedicated transportation to/from driving range will be organized though. The ball machine at the driving range operates on 50 CZK coins (24 balls).
