MESSAGE FROM THE PRESIDENT OF THE CZECH GOLF FEDERATION

Ladies and Gentlemen, Dear Friends of Golf,

Let me greet you on behalf of the Czech Golf Federation. Our beautiful game has a very long tradition in the Czech Republic. The first courses were built in the western part of our country (Karlsbad, Marienbad) at the beginning of the twentieth century and we are among the 11 founders who signed the first Constitution of EGA in Luxembourg on November 20th 1937. After years of communism, when golf was suppressed, we started a new era in 1990 and the new dynamic development of golf in the Czech Republic. Nowadays there are 50 thousand registered golfers and more than 80 golf courses in our country. Ladies' golf is highly appreciated in our country and we are glad and feel honoured to be able to organize such an important event. We look forward to greeting all of you and promise that we will do anything for your full satisfaction and create good sports and social conditions for you.

Welcome to the Czech Republic, to a country promised to golf and living for golf.

Have a nice trip to Kunětická Hora.

*Czech Golf Federation
Dr. Milan Veselý
President*

THE GOLF COURSE

The championship golf course complies with all the requirements and standards of a modern golf complex of European and world standard. The course was designed by a top Australian course architect Graham Marsh who has constructed more than 80 courses all over the world. As a part of the premises you can find three lakes with six holes designed over them. There are a number of typical ragged sand bunkers, wavy fairways and multi-leveled greens. You have to judge the wind very carefully and play it accordingly throughout the seasons of the year.

The golf course spreads out on the area of 140 hectares and by its length it belongs to the longest in the Czech Republic. The total length of the course from white and blue tees is 6 656 and 5 868 meters respectively. Mainly the 11th (par 5, 600/532m) and the 17th (par 3, 205/169m over the water) holes provide a true skill and endurance test. As the „signature hole” stands out the 13th hole par 3 on the bank of the lake with a 130-meter long bunker.

From all the holes there is a beautiful view of the dominant of the East Bohemia, the Kunětická hill and castle about a kilometer away from the course. The whole course is surrounded by the greenery of the forests which perfectly isolates the players from the noise of two hectic cities, Hradec Králové and Pardubice. Thanks to its location the resort is not only wonderfully accessible from the nearby cities, but also from Prague.
